

WEEKLY HOA NEWSLETTER

REQUEST FOR EXPRESSION OF INTEREST PROVISION OF INTERNAL SHUTTLE BUS SERVICE

The Pearl Valley HOA is exploring various options for the introduction of a shuttle bus service inside the Estate. The primary purpose of the service would be to transport residents' domestic employees from the main entrance gate to their place of work in the mornings and back to the gate in the afternoons. A secondary objective would be to provide a convenient hop-on hop-off shuttle service within the Estate throughout the day.

All possibilities are being considered, from contracting an independent service provider, to the HOA acquiring vehicles, employing drivers, and operating the service itself.

Key considerations include: • the cost of acquiring appropriate vehicles • the number of people to be transported within specific time periods • route design and the ability to service all areas within Pearl Valley efficiently • staff costs, maintenance and other general operating costs • the implementation of suitable payment methods such as ticket books, tokens, smart cards, etc.

The HOA would welcome expressions of interest from suitably qualified and experienced persons, on the basis that initial discussions will be confidential, exploratory and without commitment either way. The HOA reserves the right to appoint or not to appoint any service provider through this Request for Expression of Interest.

Interested persons should kindly submit their details to the Estate Manager by email to info@pvhoa.co.za with the subject "Expression of Interest – Internal Shuttle Bus Service" by not later than Friday 30 June 2023.
