CAMELOT SPA AT PEARL VALLEY

Relaxing Neroli and Vanilla Hydrating Body Wrap: Combining the calming effects of vanilla and the powerful healing properties of Neroli, this wrap is ideal for dry skin in need of nourishment, hydration, and relaxation following the winter months.

Few things feel as luxurious as having incredibly smooth skin - 100% cashmere and silk pillowcases are up there - but achieving it by shaving is time-consuming and often causes bumps and ingrown hairs. If you haven't started a head-to-toe waxing routine yet, now is the time to start.

For more information or to schedule an appointment, contact the Camelot Spa directly at:
