

PEARL VALLEY HOA WEEKLY NEWSLETTER

INTERNAL SECURITY CAMERAS

The Greater Estate's security committee, which is comprised of representatives from Val de Vie and Pearl Valley HOA's together with the security management team, earlier this year proposed to the various boards of trustees that new security cameras be installed at key locations throughout the Estate, as a further enhancement to the existing security infrastructure. The Pearl Valley HOA mandated the Estate Manager to engage with the security team with regards to the exact number and location of poles and cameras, taking account of Pearl Valley's unique layout, road network, access points and residents' rights to privacy. To date, 14 new installations with a total of 38 cameras have been approved for placement on PV HOA common areas before the end of this year. This excludes additional installations approved by PVI for areas under its control (e.g. the Clubhouse and Boma).

The order for the new HOA equipment was confirmed earlier this week and every effort will be made to have the installations completed as soon as possible. We will keep residents informed of progress.

The HOA wishes to reassure residents that all parties agree on the importance of security for the Estate and that the same standards should apply everywhere. In this regard, internal security cameras are seen as a critical feature of the overall approach to security. The safety of our residents will always be of paramount concern to Estate Management and all PV HOA trustees.

PEARL VALLEY GOLF ACADEMY

Congratulations to Alessia Goussard and Pieter Rossouw from Pearl Valley's Golf Academy.

Alessia finished 3rd at the Southern Cape Women's Open. This is her best finish in a national event so far.

Pieter finished 7th at the KwaZulu-Natal Amateur Championship. He also qualified for the matchplay division in which he finished 2nd overall.

Keep up the hard work, Alessia and Pieter!
