SECURITY | VISITORS TO PEARL VALLEY ESTATE

A message from the Security Team

Dear Resident

The Hello Guest System allows residents to send access codes to visitors linked to your stand number, street address and neighbourhood. The linked code intends to prevent visitors from driving through the different neighbourhoods in the estates at their leisure. The main roads link all the various neighbourhoods together, and the traffic circles ensure a smooth traffic flow.

Visitors to Pearl Valley Estate residents can use the L'Huguenot, Berg River and Val de Vie Estate main gates if they don't use the Pearl Valley Gate. Visitors need to travel along the Link Road to Pearl Valley Estate when using any of the above mentioned main access gates. Visitors cannot travel through another neighbourhood like La Vue, for example.

Please click on the link to see the map highlighting the correct routes for visitors to drive to their destination at Pearl Valley Estate.

Thank you for your understanding.
