SECURITY

PHASING OUT OF SMS (41247) CODE GENERATION

- A Message from Val de Vie HOA Information Technology Manager, Danie Bosman

"In an effort to further streamline guest access, the Security Team is working towards implementing the "Hello" guest system by the 2nd week of July. The current SMS functionality will no longer be available after the "Hello" system has been implemented. With the "Hello" system, all Entry/Exit Notifications will be sent via the Val de Vie App. Guest code generation will be limited to the Val de Vie App and the Online Web Portal only. The only SMS functionality that will be retained is the Unannounced Visitors, that will receive their code via an SMS upon scanning in.

As part of implementing the new guest system, there will be a complete database relocation and software upgrade. Residents will not have to re-register as all data will be transferred to the updated system. It will be done overnight to ensure minimum downtime of the access control system. We will provide another update closer to the time.

Thank you for your patience during this system transfer and upgrade process."

COMPLIANCE CORNER

ATTENTION PET OWNERS

In light of neighbour proximity and the openness of gardens, dogs and cats need to be strictly controlled by their owners, both on and off their property.

Dog owners are reminded that their dogs must be kept on a leash in all private areas on the Estate.

Dog excrement must be immediately removed by the owner.

CYCLING ON THE GOLF COURSE

The HOA has been informed that children have been cycling on the golf course, causing extensive damage.

We ask parents to please ensure that their children are aware that cycling may only take place on the roads and in areas specifically designated for cycling. Cycling on the cart paths is only allowed after playing hours in respect of the golf course (Estate rule no 18).

BACKS RESTAURANT AND DELI AT PEARL VALLEY

Freshly baked every morning, a variety of breads and pastries are delivered from the Fairview Bakery bringing a beautiful aroma with them.

Delicious breads are also served alongside their breakfast and open sandwich menu.
