

RESPONSIBLE DOG OWNERSHIP

Most residential communities have strict rules concerning dogs, and Pearl Valley is no exception. These rules are intended to maintain a harmonious and safe environment for all residents. Unfortunately, however, some residents continue to disregard the rules, particularly by walking or running their dogs on the golf course or on Watervliet Farm.

According to Estate Rule 12.4, dogs must be kept on a leash at all times in public areas. This ensures that dogs remain under control and helps prevent potential incidents or conflicts.

Moreover, Rule 12.5 explicitly states that dogs are strictly prohibited on the golf course. This rule applies 24/7 (i.e., not only during playing hours) and is critically important for preserving the quality and integrity of the golf course, as well as ensuring an enjoyable playing experience for members and visitors alike.

The HOA appeals to all residents to respect and comply with these rules in the best interests of the entire estate community. Please note that, according to the Estate Rules Transgression Chart, a first offence for allowing a dog to roam or walk without a leash carries a fine of R1,000.

SNAKE ALERT: STAY VIGILANT ON THE ESTATE

The HOA would like to remind residents that snake activity on the Estate remains high. The most commonly encountered snakes are the Puff Adder and the Cape Cobra.

If you encounter a snake on the Estate, please contact the Security Control Room at 021 863 6101 or the Pearl Valley Main Gate at 021 867 3266. Our trained and equipped personnel are available to handle snake removals safely.

9-Hole event | Par 36 | All holes are par 4

At the first event, all participants will compete from the 25-meter tee. The goal is to play 9-holes and score 36 or lower. The desired score will allow players to move on to the 50-meter tee in the next event. The participants who do not achieve the target score will remain on the same tee for the next event. The game aims to get juniors to score from a close distance and advance further away from the green once the target score is met.
