

PEARL VALLEY HOA LAUNCHES ESTATE SHUTTLE BUS SERVICE!

The HOA is thrilled to announce that two shuttle buses will begin service shortly, providing much-needed transport inside the Estate for residents' domestic employees. A detailed announcement regarding the starting date, routes, operating times, and terms of use will be published soon.

PEARL VALLEY CLUBHOUSE PARKING

A reminder that the area at the entrance to the Pearl Valley Clubhouse at the top of the ramp, including the turning circle and the porte cochère, is reserved for drop-off and pick-up of visitors to the golf course and hotel only. No parking of vehicles or golf carts is permitted at any time. Residents, visitors, and employees of businesses working in the Clubhouse must please use the public parking areas outside the Clubhouse.

PEARL VALLEY CELEBRATES 20 YEARS!

This momentous milestone calls for a grand celebration, and an action-packed weekend has been prepared for residents and members to enjoy. This will include a Bedouin tent being set up in the parking area for Saturday night's party. Any queries regarding the events should be submitted to events@pearlvalley.co.za.

IMPORTANT REMINDERS FOR PEARL VALLEY

HOMEOWNERS AND RESIDENTS:

- Pearl Valley HOA Townhall Meeting: Homeowners are reminded of the PVHOA Townhall Meeting scheduled for 6 pm on Tuesday, November 28, 2023, at the Pearl Valley Conference Venue, for an update on the Super Estate negotiations.
- Boma remains closed: Repairs and maintenance are still in progress, and it is anticipated that the Boma will reopen on 1 December. During this period, access to the Boma is not permitted and residents are requested to please ensure that children stay away from the area.
- Opportunity to get documents certified: Louis de Jager, the Estate's Security Consultant, is a qualified Commissioner of Oaths. He is available at the HOA office in the Pearl Valley Clubhouse between 09:00 and 10:00 on Wednesday mornings. Residents are welcome to bring any documentation that requires certification.
- Please be reminded (once again!) that snake activity is currently very high. If you come across a snake on your property or in any of the Estate's open areas, please contact the Security Control Room immediately at 021 867 1201.

PEARL VALLEY GOLF

Common Mistakes Golfers Often Make:

1. Confusing Comfort with Correct:

To improve your golf game and reduce your handicap, it's essential to welcome necessary changes and accept that adjustments may not always feel immediately comfortable. Something uncomfortable in the short term can significantly enhance your performance in the long run.

2. Being Too Aggressive on Your First Putt:

A notable difference between high and low-handicap golfers lies in the frequency of three putts per round. Higher handicap golfers often attempt to hole out on long-distance putts, resulting in overshooting the hole. To minimise the number of putts per round, focus on speed control for lengthier putts. Rather than aiming to hole out on longer putts, opt for the tap-in. Emphasise speed over the line on longer putts. It might not be glamorous, but it will save you a few strokes every time.

3. Attempting the Hero Shot:

When you find yourself in the fairway with a substantial distance to cover, avoid always reaching for your longest club (e.g., a 3-wood for many). While you might gain some distance if you hit it well, the risk of bigger miss-hits increases. Instead, build confidence and momentum with a club you can consistently handle - such as a 7-iron. Once you succeed with this choice and are confident in keeping the ball in play, then consider transitioning to your longer fairway woods.

4. Poor Balance:

Expanding on the previous point: maintaining balance before, during, and after your swing is crucial for achieving solid contact. Even if you execute a technically sound swing, losing balance along the way could turn a potentially great shot into a miss. A good habit is to hold your finish until the ball comes to a stop.

5. Inconsistent Setup Routine:

While hand-eye coordination is valuable, it's not the sole factor contributing to successful contact for skilled golfers. Haphazardly positioning your feet and adjusting based on comfort can result in different postures for various clubs, making consistent contact nearly impossible. Superior golfers adhere to a consistent setup routine and order, enabling them to adopt an athletic, balanced golf posture, which, in turn, facilitates consistent contact.

Well done, Ghery!

Ghery Rabie clinches the victory at the Hermanus Open! With rounds of 79 and 67, he secured a one-shot lead over the field at the Hermanus Golf Club's 27-hole facility.

From Pearl Valley Golf, congratulations! We are proud of you, Ghery!
