

RESIDENTS' DOMESTIC STAFF WALKING ON THE GOLF COURSE

The HOA continues to receive complaints about domestic staff walking across the golf course on their way to, and from, their places of work.

This not only interferes with play and detracts from the premium golfing experience rightfully expected by members and paying visitors, but also poses a risk of serious physical injury if someone is struck by a golf ball.

Although the Golf Course is a major added value aspect of every resident's property, it is a separately owned private property and limited access is allowed for people not playing golf, i.e. only before 7:00 AM and after 7:00 PM, and only on the designated paths and fringes of the Golf Course.

The HOA appeals to residents to discuss this issue with their domestic staff and remind them of the Estate Rules. The Compliance Officer will issue transgression notices and impose penalties on individuals who continue to breach the applicable rules.

BOMA MAINTENANCE PROGRESS

The remedial work to restore the grass in front of the Boma is nearly complete. Repairs and maintenance of the building itself will continue over the next few weeks and it is anticipated that the Boma will reopen on 1 December. Until then, access to the facility is not permitted, and residents are requested to keep away from the area.

NEW CORAL TREES PLANTED ON THE ESTATE

New 500-litre Coral trees have been planted on the verges adjacent to the 9th and 18th holes. These lovely indigenous trees have a spreading crown and brilliant red flowers and are one of the best known and widely grown South African trees.

HALLOWEEN ACTIVITIES

With Halloween approaching on 31 October, the HOA urges residents to ensure that any children's activities ("trick-or-treating") are under adult supervision at all times and do not cause unreasonable noise or disturbance in the streets. Whether you participate or not, please be tolerant of others and respect neighbours' property and privacy at all times.

REMINDER: VAL DE VIE APP | SOFTWARE UPDATE

Maintaining an optimal user experience is important, and that's why we encourage you to stay up to date with our application software updates. By ensuring your applications are up to date, you'll benefit from enhanced functionality, stability, improved user experience, and security, ensuring that the app runs seamlessly and efficiently. Ignoring updates may lead to compromised performance and potential errors.

Here is a quick reminder of the steps to update your app. Please note that should the word "Open" display instead of "Update" in the App Store, it means your app is already on the latest version.

Updating the app is easy and will only take a few moments. How to Update the App:

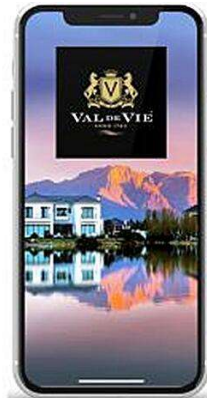

For iOS Users:

- Open the App Store on your device.
- Tap on your profile picture/icon in the top right corner.

- Scroll down to the "Available Updates" section.
- Locate the Val de Vie app and tap "Update." Please note that should the word "Open" display instead of "Update" in the App Store, it means your app is already on the latest version.

For Android Users:

- Open the Google Play Store on your device.
- Tap on your profile picture/icon in the top right corner.
- Select "Manage apps and devices."

REMINDER: OPPORTUNITY TO GET DOCUMENTS CERTIFIED

Louis de Jager, the Estate's Security Consultant, is a qualified Commissioner of Oaths. He is available at the HOA office in the Pearl Valley Clubhouse between 09:00 and 10:00 on Wednesday mornings. Residents are welcome to bring any documentation that requires certification.

PEARL VALLEY GOLF

A simple change in setup leads to straighter drives

Many golfers fear the driver because they often end up hitting errand drives off the tee. The driver can be unforgiving at times because it lacks sufficient loft and is longer than the rest of the clubs in the golf bag. For most golfers, their shots with the driver tend to result in a slice or a pull.

An easy way to overcome a slice when using the driver is to make a slight change in setup. Many slicers adopt a setup that encourages the slice or pull by adopting a spine position whereby their right side (trailside) is set up higher than their lead side. The solution is to have a relatively softer or more relaxed right side when setting up the ball, as illustrated in the lefthand image below. Also, adopt a relaxed right arm position with a slight elbow fold (refer to the image on the right below).
