

ROAD REPAIRS UPDATE

The flood damage in Jack Nicklaus Boulevard has been inspected by the HOA's civil engineering consultant, together with a roadworks contractor, and a comprehensive plan of action is now being finalized for approval by the PVHOA Board of Trustees. The first priority is to install new drainage in the affected areas as work cannot begin on the road itself until it has properly dried out. Temporary fill will be applied to the potholes as soon as they are dry and rubber mats will remain in use as an interim measure. Finally, complete resurfacing of the affected areas will be undertaken once the winter weather is behind us.

Traffic control measures, including "Stop / Go" controls and detours for heavy vehicles will be implemented shortly and we again appeal to all road users to drive slowly and safely when using the Boulevard.

Further updates will be issued in due course.

NEW DRAKENSTEIN WATER TARIFFS 2023/2024

NEW KIDDIES' JUNGLE GYMS

The HOA is pleased to announce the installation of three new jungle gyms in the Estate's parks for the enjoyment of the younger members of our community. Unfortunately, the wet weather is delaying final completion, but the contractor is making every effort to hand over the finished products as soon as possible. In the interests of safety, the HOA requests parents to ensure that children do not play on the equipment before the cautionary danger tape has been removed.

Outdoor tables and benches have also been ordered and will be added to the parks shortly for parents and child-minders to have a seat and relax whilst the youngsters play.
