

GREEN WASTE SITE REMAINS CLOSED

Please note that the green waste site on Watervliet Farm is still closed for essential maintenance and controlled burning. We urge residents and garden service contractors to stay away from the area and not to dump waste elsewhere in the Estate. Any green waste that cannot be accommodated on residents' properties during this period must be removed from the Estate.

The facility will be re-opened as soon as possible, once the necessary work has been completed.

UPDATE: NEW ENTRANCE FOR CONTRACTOR VEHICLES AND DELIVERIES

Work has started on the new temporary entrance for contractors and heavy delivery vehicles on the Schuurmansfontein access road (as indicated in yellow on the map below).

Once this entrance is operational, heavy traffic will be diverted away from Jack Nicklaus Boulevard, which will be reserved exclusively for the use of residents, golfers, visitors, and small delivery vehicles, such as Checkers Sixty60, Courier Guy, Woolies Dash, and Takealot.

Further information will be communicated in due course.

INTERSCHOOLS SPORTS WEEK

During Interschools week, the vibrant colours of various schools are proudly showcased throughout the Paarl area, especially around the sports activities. Residents demonstrate their loyalty by decorating sections of their properties with their respective school's colours.

The HOA urges all residents to respect the spirit of healthy competition and the diversity of our local schools by refraining from removing the colours of opposing schools. Interschool banners are more than welcome to be displayed on supporters' private properties and wrapped around trees. However, we request that these banners be kept away from booms, traffic signs, and lamp posts. After the eventful weekend, we ask everyone to promptly remove all colours and banners and dispose of them appropriately.

SPOTLIGHT ON: DAPHNE SMITH, PV HOA SENIOR ADMINISTRATIVE OFFICER

After a number of years in Namibia, Daphne and her family settled in Cape Town and she has been a key member of staff at both Val de Vie and Pearl Valley for the past six years, gaining the trust of many residents who rely on her extensive knowledge of the Estate.

As the go-to person for queries relating to enrolment, onboarding, the Val de Vie App, visitor codes, and access-related assistance, she can be contacted directly at daphne.smith@pvhoa.co.za or visited in the HOA office.

In her spare time, Daphne has a great passion for crocheting, puzzle-building, and reading mystery crime novels.

PEARL VALLEY CLUB FITMENT STUDIO

Pearl Valley Management is extremely excited to introduce its new Club Fitment Studio and invites members to experience golfing excellence and elevate their game.

At the Pearl Valley Club Fitment Studio, we offer professional fitting services with top hardware brands, from Titleist and Mizuno to Callaway and Cobra. We are fortunate enough to have secured the services of Gerald Radowsky, who is the Managing Director of Golfing Gods (Pty) Ltd and a Certified Flightscope Professional who has been working within the Club fitting industry for more than 15 years. Through the many years spent playing the game, combined with his passion for the technology, Gerald has been able to develop and grow his skillset into a league of its own.

Not only does Gerald offer a certified skill in the club fitting space, but he too has the sole distribution rights to some of the most exclusive, tour spec shafts seen in the modern game today. Pearl Valley will become one of the only venues in the entire Western Cape region where certain Tour Spec shafts can be found.

We are extremely pleased to announce that the Club Fitment Studio is ready and open for business, and you are most welcome to visit and support it. The facility is open 7 days a week, by appointment only.

PEARL VALLEY GOLF ACADEMY

How to play well in winter

Summer golf compared to winter golf is a lot different. Occasionally, we forget that certain adjustments to our game need to be applied. During the warm months, the golf ball tends to go further compared to when it is cold and wet in the winter months. Therefore, we need to account for that by altering our game to suit the weather conditions. Factors that influence our game include the chill factor, wet course conditions, wind, and air density. Additionally, we need to take into consideration that our bodies tend to lack the same suppleness and flexibility in the winter months as in summer.

What we need to do:

- Ensure that you warm up correctly by performing the appropriate body preparation, including static and dynamic stretches.
- The ball distance goes shorter, so remember to take a club or two extra. Air density, wind, and wet course conditions play a role in the distance of your golf shots. The ball tends to not roll as far.
- Make sure to keep your swing smooth. Golfers tend to fight the weather conditions by unconsciously tightening up and lacking mobility, leading to a loss in rhythm.
- Lastly, remember to have your course essentials in your golf bag or on your golf cart. Essentials include an umbrella, waterproof clothing, all-weather golf gloves, a pair of warm mittens to keep the hands warm, and last but not least, a warm blanket like some of the ladies have on their golf carts.

Competing at the Paarl Open, a 36-Hole Stroke Play event at the Paarl Golf Club on Saturday, 30 July 2023, Pieter Rossouw achieved another remarkable feat in his impressive season. He led the field by one stroke with an outstanding score of -3 (69) after the first 18 holes and closed the gap in the second round with a solid 71. His exceptional performance paid off as he secured a well-deserved victory, winning by an impressive three strokes.

From everyone at the Pearl Valley Golf Academy: well done on your great performance! You make us proud!
