
PET IDENTIFICATION TAGS

HOA staff regularly receive reports of loose cats and dogs on the Estate without identification tags. Often, dogs have to be collected by Security and taken for safe-keeping until claimed by their owners.

According to Estate Rule 12.4, all cats and dogs must be registered and wear a tag that displays the owner's name and property number. This ensures that any "lost and found" animals can be quickly and safely returned to their homes.

SOLAR PANEL INSTALLATION REQUIREMENTS

The demand for solar energy has risen significantly in recent years as a result of loadshedding, increased electricity tariffs, and growing environmental awareness. Before installing a solar system, residents are reminded to follow the Solar Installation Checklist and submit a plan for approval to the Estate appointed architect, Louis Philips Architects + Associates (info@louisphillips.co.za).

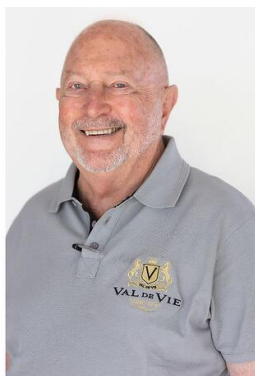

The Checklist can be found on the PV HOA website (www.pvhoa.co.za).

For any assistance or questions, residents can contact the HOA's Building Control Officer, Andries Roux (bco@pvhoa.co.za).

REMINDER: OPPORTUNITY TO MEET WITH SUPER-ESTATE'S RISK MANAGER

A reminder that Louis De Jager is available at the HOA offices in the Pearl Valley Clubhouse between 08:00 and 09:00 on Wednesday mornings to meet informally with residents and answer security-related questions.

Louis is also a qualified Commissioner of Oaths, and residents are welcome to bring any documentation that requires certification.

In the spotlight - Clemence Moto, The Valley Restaurant's Executive Chef

Clemence Moto was born in Zimbabwe in the rural agricultural area of The Mashonoland West. From a young age, he was fascinated by the "earth to plate" concept and had a passion for creative cooking. In his youth, Clemence was also a talented footballer and joined a club owned by Airline Caterers. The company soon recognised his culinary interests and offered him a job in the kitchen. In 2001, based on merit and enthusiasm, he was promoted to the position of head cold kitchen chef.

Clemence eventually met Edmore, The Valley Restaurant's executive chef at the time, who mentored him and helped to maximise his culinary skills. Upon Edmore's departure, Clemence was appointed as executive chef and raised the bar in the food and beverage industry at the restaurant.

He has an extraordinary gift for presenting exquisite dishes and has a passion for mentoring his staff to be the best they can be.
