

### R301 CLEANUP

We are pleased to report that the relevant provincial authorities have responded to the HOA's requests and sent a team to clean up the large amount of litter in the area on the side of the R301, near the entrance to Jack Nicklaus Boulevard. The HOA is now in discussions with the authorities about possible long-term solutions for keeping this area clean.

## Under Armour BREAKING PAR SERIES

*9-Hole event | Par 36 | All holes are par 4*

At the first event, all participants will compete from the 25-meter tee. The goal is to play 9-holes and score 36 or lower. The desired score will allow players to move on to the 50-meter tee in the next event. The participants who do not achieve the target score will remain on the same tee for the next event. The game aims to get juniors to score from a close distance and advance further away from the green once the target score is met.
